Now is the time to start planning a **FUN FILLED**
Safari in Southern Africa in 2024!

Spend a night in **Johannesburg**, one of Africa's busiest and most vibrant cities. The following morning, rested and refreshed after your international flight, fly to **Victoria Falls, Zimbabwe**. Spend 2 days experiencing the world's **largest waterfall** – a spectacle of 5,604 ft of water thundering into a twisted ravine. Venture into the bush to spend time with **rescued elephants** and see the special relationship they have with the Staff. You will even get to feed the elephants treats and have your photo taken with them. Enjoy a sunset **Dinner Boat Cruise** down a hippo-filled river and on your 2nd night experience a festive evening with a traditional dinner. To add to the fun, you can try your hand at **traditional drumming and dancing**.

Next, head to **Cape Town**, the 'Mother City' of South Africa, for 3 nights. Your hotel is conveniently located at the famous **Victoria & Alfred Waterfront**, a favorite spot for restaurants, shopping, and an excellent aquarium. Get a bird's eye view of **Table Mountain** the downtown area and harbor from the Ferris Wheel.

During your stay in Cape Town you will drive along the spectacular Chapman's Peak, and visit **Cape Point**, the most south-western point of the African Continent. Stop and see the local **African Penguin Colony** at Boulders Beach and on your way back to town, visit **Simon's Town**, South Africa's historical Naval Base and home to the statue of "Just Nuisance" a local canine legend.

A **Harbor Boat Tour** in Table Bay Harbor, **Cable Car Ride** to the top of Table Mountain and a trip to an **Ostrich Farm** are just a few more of the fun activities offered during your stay in Cape Town.

The final stop on your Magical Safari will be in the Greater Kruger Park area for 3 nights. You will have the chance to see the **Big 5** – elephant, rhino, buffalo, lion and leopard.

Each morning, heading out at first light. The “big cats” may still be around after their night of hunting. **Game drives** are conducted in open game vehicles with your skilled ranger and tracker to find the animals of Africa for you to admire.

Between your morning and afternoon game drives, have some free time to relax or be treated at the **Spa**. Late in the afternoon, convene for high tea, then head out for the day’s second African Bush Safari.

Enjoy a sundowner drink along the way, get out of the vehicle to stretch your legs, and watch the **sunset**.

Children can participate in the '**Little Paw's Program**' which is full of fun interactive activities, including hair braiding – face painting – children's veggie garden – clay making paws – Tracker 101.

Your family can also sign up for **Guided Walking Safaris**, a **Bushman Skills** course, and much more.
