Exploring East Africa

The Great Migration – Volcanoes National Park – Trekking with Gorillas –
Mount Kilimanjaro – the vast Serengeti and Maasai Mara

**EXPERIENCE East
Africa**

Quickly becoming a 'Bucket List Safari' for many Ntaba African Safaris guests, East Africa promises to deliver an unforgettable experience.

A trip to Tanzania, Kenya, Rwanda or Uganda is both intriguing and exciting – a safari destination without equal.

Trek up forested mountain slopes in Rwanda or Uganda to encounter the carefully-guarded Mountain Gorillas in their natural habitat. Time spent observing these magnificent, closely-bonded families is humbling and life-changing.

Witness one of Nature's greatest spectacles – The Great Migration. Millions of wildebeest, zebra and assorted buck follow the rains each year across the vast Maasai Mara and Serengeti.

The crossing of the Mara River – which borders the two countries – is a fascinating drama unfolding, complete with crocodiles on the hunt and hippos looking on.

Head to 'Big Cat' country in the Maasai Mara National Reserve in Kenya for spectacular sightings of lions, leopards and cheetahs.
Or visit Amboseli National Park, renowned for its large elephant herds and views

of immense Mount Kilimanjaro, across the border in Tanzania.

We LOVE hearing from our clients . . .

First and foremost, THANK YOU!

We are speechless as our trip to Cape Town and Kruger was perfect! We loved every minute and are so thankful for all the hard work you put in to making our trip special. Our tour guide for Cape Town was incredible, he knew so much about the local flora, all the best lunch and picture spots, and even taught us a little bit about the history and what it was like growing up in Cape Town. We loved getting to hike to the lighthouse with him, walking in Kirstenbosch, eating lunch/ tasting wine at Glen Constantia, visiting the spice shop in Bo Kaap and taking the cable car up Table Mountain. Let's not forget the penguins at Boulders Beach!

Both game reserves were amazing! We loved the game drives and had incredible tracker and drivers at both lodges! Although I was a little nervous about the food, there truly was no reason to be. All the chefs at the lodges are extremely talented, we cleaned every plate! We loved being able to get so close to the animals and are super impressed that we got to see all 5 of the big 5!

*We got to watch a leopard eat breakfast and had coffee while watching a rhino!
Thank you thank you for making our trip a once in a lifetime experience!
