

# Ntaba African Safaris

One of our most popular Southern Africa destinations is **Victoria Falls**, one of the '7 **Natural Wonders of the World**'.

Victoria Falls was named after the reigning Queen of England by Scottish explorer, missionary, and anti-slavery champion, Dr. David Livingstone. The locals called the falls *Mosi-oa-Tunya* meaning “*smoke that thunders*” and many people still refer to this nickname, which accurately defines the power of the falls crashing into the canyon floor.

Known for their friendliness, hospitality, and excellent service, the people of Zimbabwe will make any visit to their country a trip of a lifetime.
