# FAQ

PLANNING FOR THE PERFECT TRIP

What shots do I need?

No shots are required for travel to **Southern Africa**. Yellow Fever immunizations are required in some **East Africa** countries. Please check with the Center for Disease Control (CDC) for the most up-to-date requirements. [www.cdc.gov/travel](http://www.cdc.gov/travel)

Do we still need PCR tests to travel to Africa?

PCR tests are no longer required for travel in Southern & East Africa.

Is the water safe to drink?

It's advisable to drink bottled water in rural areas. Lodges will provide bottled water and in cities, tap water is safe to drink.

Ntaba African Safaris is Committed to *Authentic, Unique, Memorable, Cost-Competitive, Safe, Intimate Safaris*

## Guest Feedback

*"Gretchen and I, along with Tim and Patti Earnhardt had the most wonderful two weeks of experiences with all that you folks suggested and set up for us! We can't thank you enough and would be thrilled to share any and all of our trip with anyone or group you'd like to put in touch with us. Thanks again for the most wonderful trip and itinerary!"* **Stephen & Gretchen Deutsch and Tim & Patti Earnhardt**

*"We had a most amazing itinerary organized by Robin and Stella. Everything went off without a hitch! I would highly recommend our accommodations at every location, our guides, drivers and EVERY experience to anyone looking at this trip. Our safari experience was nothing short of amazing! If you are going to Africa, NTABA is the way to go."* **Penny Cecil**

*"The sights and beauty of our East Africa Experience were incredible. The interaction between all participants was equally a joy. Everyone bonded so well. I can honestly say that all of my expectations were met. Looking forward to traveling with Ntaba African Safaris again."* **Robert E. Eilets**
