Guest Feedback

"We spent 4 nights at Xugana Island Lodge and 4 nights at Nxamaseri Island Lodge in the Okavango Delta in Botswana. Both lodges had wonderful food and accommodations. The very best part were the managers, workers and guides at both lodges. They really took care of us and made our trip so memorable. The fishing was excellent! We caught tilapia, catfish and lots of tiger fish. The variety of wildlife and bird watching was outstanding! I would definitely recommend a specialized trip by Ntaba for a truly one of a kind African vacation!"

~ Nancy Brentlinger, USA

"WOW!!! That is the only word that comes to mind that can articulate this trip! The lodging, the guides, the people and the over all experience is LIFE CHANGING! If you are on the fence or trying to decide on which tour operator to go with...let this be your decision maker! You will NOT REGRET a trip with NTABA!"

~ Kim Thompson, USA
