Guest Feedback

"Our tour with you in South Africa was wonderful. It was well thought out and planned, including Kruger National Park and the many gardens in the north as well as near Cape Town. Your attention to every detail and our comfort was very special, and it added greatly to our enjoyment of this once-in-a-lifetime trip."

Foster Pettit – Former Mayor of Lexington, Kentucky

"I have traveled with Ntaba African Safaris on nine separate occasions, including group excursions as well as bespoke solo trips, designed just for me. Knowledgeable and professional staff with personal interaction. They are very well connected with all lodges and their personnel. Also, they are heavily involved in charitable activities within the local communities that I have visited in Africa.

I can highly recommend Ntaba African Safaris to anyone."
